

1ST JOINT PRODUCTION SALE
INNISFAIL FARM & MEAD CATTLE
SATURDAY MAY 29, 2021

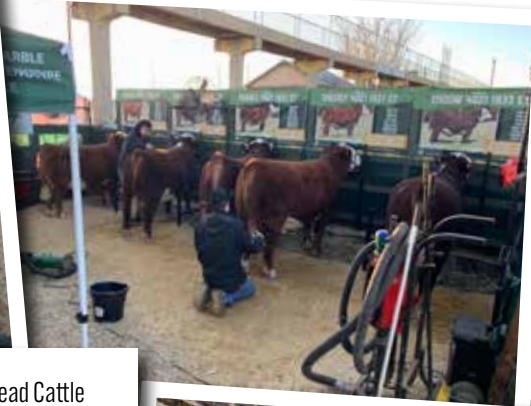

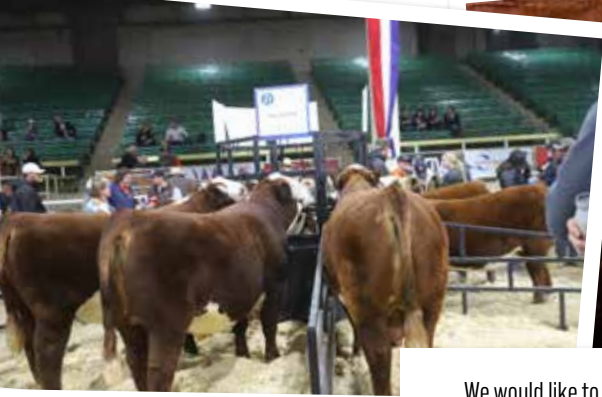

Held at Innisfail Farm in Madison, Georgia

INNISFAIL FARM

CATTLE ENTERPRISES

We would like to welcome you to the Inaugural Sale of Innisfail Farm and Mead Cattle and thank you for your interest in our program. This event has been years in the making and comes with a great deal of excitement and anxiety. We hope you are impressed with the set of cattle we have put together. With the exception of one or two, these cattle were bred here for generations and we pride ourselves on the selection pressure we have put on these cattle through the generations in our environment. We feel confident they will work for you as well.

#HEREFORDSTHATMARBLE #CARCASSWITHSTYLE #GENOTYPEWITHPHENOTYPE

Several years ago we started using a few hashtags that we feel are important points in our breeding program and guides us in our decisions. As Breck would say, we believe EPDs and in herd ratios are vital tools in enhancing the genetic predictability of our cattle. With that said, we are still grounded enough to realize that the majority of cattle in the country are sold at least once in life utilizing visual appraisal. We feel creating fundamentally correct, balanced cattle with genes that look equally as good on the rail provides our customers the opportunity to profit regardless of how they choose to market their cattle.

While we have placed a strong emphasis on carcass quality and phenotype, we have worked hard on feet, udders, maternal ability, fertility and color. These are the foundation of any strong cow herd and we feel it is vital to the longevity of the animals we produce as well as our business in general.

Please feel free to visit us in person or on our website at www.innisfailfarm.com. We have all the sale cattle available for viewing as well as the rest of the herd. We have listed some animals as terms announced on sale day and we would welcome inquiries and discussions on how to make those lots as attractive as possible.

On behalf of Whitey, Weyman, Breck and all our families, thank you to all those that have helped us get here and all those who have shown interest and supported our program through the years. We would especially like to thank Tommy for allowing us to host him at Innisfail and holding our hand through this process. We look forward to seeing you on May 29, 2021.

SCHEDULE OF EVENTS

FRIDAY, MAY 28

Viewing Cattle All Day

Join us for Dinner at 7:00 p.m.

SATURDAY, MAY 29

Sale starts at 11:00 a.m. EDT

Lunch immediately following sale

ONLINE BIDDING

If you are unable to attend the May 29th sale, you can log on to www.LiveAuctions.tv to follow the progress of the auction with live audio and video. Real-time live bidding for this sale can be done via the internet through LiveAuctions.tv. Live audio and live video will allow buyers to bid on animals as if they were present at the sale.

To bid, buyers must create an account and request a buyer number, preferably prior to sale day, at www.LiveAuctions.tv. Instructions are available there to walk you through the account setup process.

Contact the LiveAuctions staff prior to, or during the sale at 817-725-8595, with any questions.

LOTS 1A, 1B, 1C:

- All Homozygous Polled
- This is a unique kind of choice lot that you do not stumble across every day. These three animals will play vital roles in the future of Innisfail Farm and we wanted to offer you the opportunity to come along for the ride! Lots 1A, 1B and 1C represent over 40 years of dedication to cow families, data driven decisions and functionality. It is extremely hard to find the elite combination of genomic backing and phenotype that these animals possess. Whether you are in search of a herd sire to take your program to the next level or a cornerstone donor who is currently the \$CHB trait leader in the breed, investing in Lot 1 is most definitely a wise decision for the future of your operation. Terms and conditions to be announced sale day.

LOT 1C:

- AI serviced on Nov. 23, 2020 to JDH AH Prominent 21G ET, then pasture exposed from Dec. 5, 2020 to March 1, 2021 to EFBEEF C609 Resolute G496. Safe in calf.

LOT 1C — THE No. 1 CHB\$ ANIMAL IN THE BREED

Terms Available Sale Day

Innisfail P230 T723

Lot 2 — Innisfail 311E 2H

- Heterozygous Polled
- Selling 2/3 interest and full possession
- This bull found a lot of friends when he was alongside his mama last summer and for good reason. Study him across all of his columns. 2H is better than breed average for 19/20 traits and is in the top 1% for SCF, Milk, M&G, Udder Suspension, Teat Size, IMF, \$BMI, \$BII and \$CHB. Talk about one that is going to produce some mouth-watering females without sacrificing carcass! Equally as important, he is one fun specimen to study on the hoof – absolutely phenomenal in terms of his structure with a long spine and a great shape to his rib. His dam is a stunning 028X daughter that is just getting started in our donor program and this will not be the last time you hear from her.

Lot 3 — Innisfail 311E 938G

- Heterozygous Polled
- Here is a high performing, attractive, cherry red daughter of 311E, a top-notch 4013 son that is now hard at work for Reed Farms and Missouri State. 938 has an extremely balanced set of figures and ratioed a 112 on WW and 114 on YW. She has been a phenotypic standout within our yearling heifer group.
- AI serviced on Nov. 24, 2020 to JDH AH Prominent 21G ET, safe to AI, then pasture exposed from Dec. 5, 2020 to March 1, 2021 to EFBEEF C609 Resolute G496.

WHR Beefmaker 4013 191 311E ET — Sire of Lots 2 & 3

Lot 4 — Innisfail Z311 907G

- Homozygous Polled
- If you like to study data, it won't take you long to mark this one down! 907 has some curve bending EPDs with the real world proof to back it up. She ratioed a 97 on BW, a 117 on WW, a 107 on YW, and a 122 on IMF! She is no slouch walking the pastures either as this Z311 daughter is big, stout and huge bodied.
- AI serviced on Nov. 24, 2020 to Innisfail T723 B413 1943 ET, then pasture exposed from Dec. 5, 2020 to March 1, 2021 to Innisfail T723 B413 1943 ET. Safe in calf.

- Homozygous Polled
- Here is a long-bodied, stout featured daughter of Z311. The Encore daughters have been some of the most productive cattle here and this one will not be an exception. Her maternal grandam is a full sister to Tested X651 and is now in the donor pen at Walkers and Dry Creek!
- AI serviced on Nov. 24, 2020 to Innisfail T723 B413 1943 ET, then pasture exposed from Dec. 5, 2020 to March 1, 2021 to Innisfail T723 B413 1943 ET. Safe in calf.

Lot 5 — Innisfail Encore 912G

Lot 6 — Innisfail 907W 2296 1931 ET

- Heterozygous Polled
- 2296 has been one of the most widely accepted bulls in the Hereford breed in recent years. Cross that with one of the most prolific females on the ranch and you have a recipe for success! Her balance and proportionality coupled with tremendous body shape and feature have always made us big fans of 1931.
- AI serviced on Nov. 24, 2020 to Innisfail T723 B413 1943 ET, safe to AI, then pasture exposed from Dec. 5, 2020 to March 1, 2021 to Innisfail T723 B413 1943 ET.

Lot 7 — Innisfail 907W 2296 1954 ET

- Heterozygous Polled
- The more moderate option of these sisters that is really square and good looking. We can't brag on her dam enough, 907 continues to knock it out of the park in production at the age of 12. Lots of longevity bred in here!
- AI serviced on Nov. 24, 2020 to Innisfail T723 B413 1943 ET, then pasture exposed from Dec. 5, 2020 to March 1, 2021 to Innisfail T723 B413 1943 ET. Safe in calf.

Innisfail M326 907W — Dam of Lots 6 and 7

Lot 8 — Innisfail T723 4R 1914 ET

- Homozygous Polled
- You could burn through a new set of tires trying to find a young animal with genetics this proven! Being sired by the immortal Revolution 4R and backed by T723 on the bottom side, there has been a TON of data collected on both sides of this one's pedigree. 1914 is a dark red, large scaled, angular female that will go on to be a really unique breeding piece!
- AI serviced on Nov. 23, 2020 to JDH AH Prominent 21G ET, then pasture exposed from Dec. 5, 2020 to March 1, 2021 to EFBEEF C609 Resolute G496. Safe in calf.

- Heterozygous Polled
- 4013 had one heck of a sale season, siring high sellers in all parts of the country. Here is your opportunity to acquire a flushmate sister to him that is ready to head to the donor pen! 4016 is a huge footed, giant ribbed female with an immaculate udder. We have 13 ET calves on the ground out of her this year that are impressive, to say the least.
- Sells open, ready to flush.
- LOT 9A: Heifer calf sired by KCF Bennett 10Y C775 ET.

Lot 9 — Innisfail 723 U208 4016 ET

Lot 10A — Innisfail 1832 24H

- Act. BW 82 lb.
- Heterozygous Polled
- There are two kinds of positive momentum a herd bull can give an operation; he can be an improver or a changer. 24H gives us strong indicators, at an early age, that he will be a changer! For the amount of marbling this bull has, he is unmatched in terms of skeletal width and muscle dimension. Even with all his added mass, his reach and flexibility are hard to criticize.

Lot 10 — Innisfail 723 Maternal 5002 ET

- Homozygous Polled
- Big, stout brood cows raising big stout bull calves, like this Mr. Maternal daughter, make the seedstock world go around. 5002 is a huge ribbed, freckle faced T723 daughter with an ideal udder attachment. She never misses, ratioing 3 progeny at 85.7 on BW and 104 on WW!
- AI serviced on Nov. 24, 2020 to JDH AH Prominent 21G ET, safe to AI, then pasture exposed from Dec. 5, 2020 to Feb. 1, 2021 to Innisfail Energy 4021 1837 ET.

Lot 11A — Innisfail 1838 032H

- Dehorned
- Just in case you wanted proof that 5000 really is as good as she looks – here she is. 11A is a goggle-eyed, super soft-ribbed, loose-structured daughter of Endorse 1838, a standout bull in our popular pen in Denver 2020, owned with Barnes Herefords.

Lot 11 — Innisfail 723 York 5000 ET

- Heterozygous Polled
- It sure is a good thing that I don't punch a time card because if I did, the hours I have spent staring at this cow, trying to figure out how we can sell one this good, would cost the ranch a lot of money. It is so hard to make cattle this massive, this sound, and still so good looking. To top it off, she has an elite set of figures and a picture-perfect udder. Getting off my soapbox now, but she is sure to make an impact for one lucky buyer!
- AI serviced on Nov. 24, 2020 to JDH AH Prominent 21G ET, safe AI, then pasture exposed from Dec. 5, 2020 to Feb. 1, 2021 to Innisfail Energy 4021 1837 ET.

Our Denver 2020 pen bulls have continued to impress us since day one. These guys were phenotypic standouts at the cooperator herd as babies and continued that trend through actual performance and genomic testing. The maternal side of these bulls is the cornerstone of our program and they are demonstrating why with this first calf crop. Look through the offering for service and progeny and contact us for semen.

- Heterozygous Polled
- Here is a two-year-old full sister to 4013 doing a jam-up job in production. Her flawless build allows her to collect herself with a great deal of presence. It is hard to find cattle with her kind of "look" and it is even harder to find them with her kind of figures and proven pedigree!
- AI serviced on Nov. 23, 2020 to JDH AH Prominent 21G, then pasture exposed from Dec. 5, 2020 to Feb. 1, 2021 to Innisfail Energy 4021 1837 ET. Safe in calf.

- Heterozygous Polled
- This two-year-old really fits the mold of the kind of female that we strive to produce. She is moderate, huge ribbed, and very functional in her build. She charts a rock-solid set of EPDs, is struck AI to Prominent 21G, and is a direct daughter of T723, needless to say, 1853 will be hard to watch leave.
- AI serviced on Nov. 24, 2020 to JDH AH Prominent 21G, safe AI, then pasture exposed from Dec. 5, 2020 to Feb. 1, 2021 to Innisfail Energy 4021 1837 ET.

Lot 15A — Innisfail 1838 22H

- Heterozygous Polled
- Act. BW 88 lb.
- Every year when we start selling bulls, this is exactly the kind of bull that is first to go. 22H is high performing, long-bodied, athletic cattle with added bulk and mass. Endorse 1838 will continue to see heavy use at Innisfail and his ability to sire bulls like this is the reason why.

- We have no doubt that this one has the ability to raise some competitive show stock. She is goose-necked, big-hipped and has a deadly hind leg. Her first heifer calf sold to the Lawrence family and has gone on to see some success.
- Sells open, ready to breed to the bull of your choice.
- LOT 25A: Bull calf sired by Innisfail Enable 4021 1832 ET, Act. BW 62 lb.

• 028 is just as smooth and feminine as you can make one. You will love the curvature to this one's lower rib and her reach and flexibility is certainly commendable. Her mama, 983E, won the Southeast Regional in the summer of 2018. In her rookie calf crop she has already produced Luke Daniel's popular Reserve Division 1 female in the junior horned show at Cattlemen's Congress in Oklahoma City, Okla., sold with VH Cattle. This 4013 daughter will surely be competitive, but her genetic backing makes her even more valuable after her halter comes off.

• There aren't many things any more fun than hauling a fresh, heavy bred, senior yearling in the summer time. If you agree with me, go ahead and mark this 983E daughter down. Killer looking, great on her feet and legs with the big-time pigment. This heifer has a set of full brothers that we have high hopes of making a pen out of!

• When you show cattle with minimal faults, you typically end up toward the top of the line. 042 is just that: soft-structured, long and extended with plenty of width and substance. This RYC daughter's cherry red color and eye pigment will always be sure to make you stand out!

10/7/1933 — 10/9/2020

I start this with a great big, heartfelt Thank You. Thank you to the thousands of people who sent their condolences and prayers to help me in the most difficult time I have ever experienced. Last year, like for so many, I lost two of the most important women in my life. First Momma, to me and Hazel and to so many of you. She was the greeter, cook, lawn mower and the one that kept us all in line. A southern Christian lady that is missed dearly. I am grateful to have had her as my mother.

Then, that special person to me and so many others, Valarie. Not everything is meant to last. You don't think about that when it's perfect. When you lose that special love there's a huge hole. There's also a pair of wings. Knowing Valarie, she's happy, flying and free. Me, I'm still here grateful — GRATEFUL FOR KNOWING HER!

I am excited about our new sale arrangement with our friends at Innisfail and the sale offering this year is exceptional. Please note that we have no service-age bulls in the sale. We offer Hereford and Red Angus bulls via private treaty sale year-round. The sale offering in this first joint production sale is less in quantity but HUGE in QUALITY. I hope you can attend the sale or if you like, visit us any time prior to view the cattle.

Thank you to all the great farms that have become customers of MEAD CATTLE. We wish you success and if there is any way we can help, please do not hesitate to ask.

Hope to see you in Madison!

Lot 29 — THM Delilah 1083 ET

CHOICE LOT 29 OR 30

- SELLING CHOICE
- It is with pride that we begin our offering with these two fall flush sisters to Lot 31. They are attractive, high quality daughters of donor 6105 who many consider our top present day donor. 6105 is also the dam of herd sire THM Spartan 9108 ET.
- This is certainly one of our longest and most influential cow families in the herd today. 6105's donor dam, Daisy 1069, was our best daughter of Durango 4037 and her donor dam, 5628, was the dam of herd sire THM Avatar 2108. The influence of these three cows can be found all across our herd.

Lot 32 — THM 81E Dahlia 1007 ET

- A maternal sister to lots 29, 30 and 31.
- Her sire is the very popular Select Sires' "Beef Bull" NJW 160B 028X Historic 81E ET. This heifer calf is feminine, broody, extended from end to end and displays tremendous volume and rib shape. She is a can't-miss type of cow prospect.

Lot 33 — THM 66589 Victoria 0183 ET

THM 28M Victoria 2132 ET
— Donor dam of Lots 33 and 34

- Another top-end cow prospect by the famed Shaw herd sire, /S Mandate 66589 ET. She is easy on the eyes, long-fronted, bold sprung and destined to be a front pasture female. Her dam, 2132, is also the dam of herd sire THM Dude 7014 ET. Grandmother 3B05 came to us when we purchased a large group of cows from Will-Via Polled Herefords and rapidly rose to our donor pen.
- Will be AI serviced to NJW 84B 10W Journey 53D.

Lot 36 — THM 652D Gemma 1004 ET

- Flush sister to lot 35. It is difficult to pick between these two as both are outstanding. This girl may be darker red and a bit more extended through her front end. You decide or just take them both home. The maternal power under them will insure front pasture status.

Lot 37 — THM 652D Marchelle 1105 ET

CHEZ Dante 652D ET — Featured sire

- These next two flush sisters are correct, stylish and typical of the Dante 652D cattle we have seen. He is the most popular son of the famed R Leader 6964 and out of the famed producer of champions "Sweet Red Wine".

Lot 38 — THM 652D Marchelle 1088 ET

- This pair of ET heifers come from yet another one of our proven and predictable line of donor females. We love the Beef 38W daughters and elected to use him on Marcie 9531 to moderate frame and add more udder quality. The results of 5207 are unbelievable as she is even better than we dreamed.

Lot 39 — THM 652D Vista 1101 ET

THM Z426 Vista 6132 — Donor dam of Lot 39

- This Dante girl may be our favorite yet she is so stylish, high quality and backed by three generations of home run hitting donor dams.
- There was a day not so long ago we considered Easy May 7532 our lead female in the program.

Lot 40 — THM 81E Babytank 1154 ET

RHF 10Y Tanktown 5036C — Donor dam of Lot 40

- One of our special girls — she is more on the moderate side but wow is she ever thick from end to end. She comes with more than ample volume, doing ability and maternal backing on both the dam and sire's side of the pedigree. She is a birth weight tool and one that can add rib eye is that is a box that needs checking.

Lot 41 — THM 3018 Rosy Lane 0227 ET

Gerber 774 Rosy Lane 6235 — Dam of Lot 41

- The only young daughter selling by Reliable 3018, who just may be the best breeding, cow-making sire we have ever produced. His dam, 1817, was the perfect uddered Hereford female and Reliable stamps them with mamma's udder.
- Rosy Lane 623S was the most successful donor we owned with Grassy Run Farm and our selection of the Gerber cows when sold at Star Lake in Oklahoma.
- Will be AI serviced to /S Mandate 66589 ET.

NJW 84B 10W Journey 53D — Sire of Lot 42

THM 5666 Theresa 4044 — Maternal grandam of Lot 42

- One of our favorite females selling so of course she refused to be photographed. We love our producing daughters of Journey 53D and like the extra power he adds to most of his sons and daughters. This heifer is a granddaughter of Theresa 4044 who was our top Treutlen daughter.
- Pasture exposed from Feb. 7 to May 7, 2021 to our newest herd sire, NJW 11B Authorize 79G ET, who we own with W&A Hereford Farm and NJW Polled Herefords.

Lot 43 — THM Z426 Raychel 0057

Boyd Rachel 104T ET — Donor grandam of Lot 43

- We don't sell many Excede females because we love them as cows. This heifer's dam is a full sister to our popular and top breeding herd sire THM Crossfit 7040 ET. We feel this female has the high probability of making it to someone's donor pen. She is a low birth, high growth and high maternal female which makes her a valuable breeding tool.
- Pasture exposed from Feb. 7 to May 7, 2021 to NJW 11B Authorize 79G ET. These will be some of the very first calves by 79G.

Lot 44 — THM Z426 Eclipse 0125

THM Z426 Eclipse 5115 — Maternal grandam of Lot 44

- Another beautiful line bred Excede out of a top daughter of Richard. His dam 1234 produced us multiple herd sires including Ever Ready 6005 that is rising to the top of our current herd sire battery. You will love the milk flow and udder quality of the Excede females which makes him one of the popular semen sellers in the Select Sires bull stud.
- Pasture exposed from Feb. 7 to May 7, 2021 to NJW 11B Authorize 79G ET.

Lot 45 — THM Z426 Cammy Mae 6177

- A really productive feature female with a great Excede udder. She is pigmented and freckled, has extra length of body, is broody and fertile. Her dam was one of our very top Marcel daughters.
- She is low birth, high growth, high milk and \$CHB index.
- AI serviced Feb. 8, 2021 to NJW 84B 10W Journey 53D. Safe to AI.

Lot 45A — THM C776 Homeboy 1179

- It's hard not to love this guy with his overall mass and shape, style and pigment, correct structure and herd bull look.
- He should be heifer acceptable and comes with exceptional growth numbers and positive marbling.

Lot 46 — THM Z426 Marcie 7090

- We are only offering two producing Excede daughters and both are phenomenal producers. Another excellent udder, productive look and carrying a calf by William. He is the MDF son of 8Y that sired the feature calves in the 2020 Mohican West sale. He was bred by Don Moler and commands attention from all who see him at MW.
- AI serviced Dec. 29, 2020 to DM 714 8Y William 514C ET. Safe to AI.

- We love this young sire and look forward to his influence in our herd. He is a full brother to Lots 29, 30 and 31.
- His dam is as good as we have and she is backed by two generations of donors that helped build our current cow herd.
- His sire, Mandate, is proven and as popular a bull as you will find across the country. If we had an EPD for style this lad would be off the top of the chart. Basically, we find him to be fault free.

located 20 minutes from the farm

Let us know if you need help with travel arrangements.
We would be glad to pick you up in Madison.

We are selling full possession and 2/3 semen interest in
every bull unless otherwise stated.

Terms on Lot One to be announced.

We are retaining 2 flushes min 6 eggs on all females sold
at our expense buyers' convenience.

TERMS AND CONDITIONS

TERMS: Cash or check. Each animal to be sold to the highest bidder. The auctioneer shall settle any disputes as to bids. All cattle are to be paid for by the purchasers during or immediately after the sale and will not be released until settlement has been made. Each animal will be at the purchaser's risk immediately after the animal is sold.

REGISTRATION CERTIFICATES: Registration certificates of the animals will be transferred to the buyer at the seller's expense. All calves born before the sale will be registered by the seller. All calves born after will be registered by the buyer. Each buyer must be sure to give the clerk his proper name and address for making transfers. AI certificates will NOT be furnished by the seller on females carrying the service of non-owned AI sires.

EPDS: The EPDs listed herein are as reported by the AHA and are from April 5, 2021 evaluation. We will not be responsible for changes in EPDs or if these cattle do not perform as indicated by their estimated EPDs.

HEALTH: All cattle selling will have interstate health charts required for shipping into other sections of the U.S. All females who are old enough are officially calfhood vaccinated.

LIABILITY: All persons who attend the sale do so at their own risk, and the owners and sale manager assume no liability, legal or otherwise, for any accidents which may occur. Stith Auction Service acts only as agents for the seller and have no responsibilities other than those involved in conducting the sale.

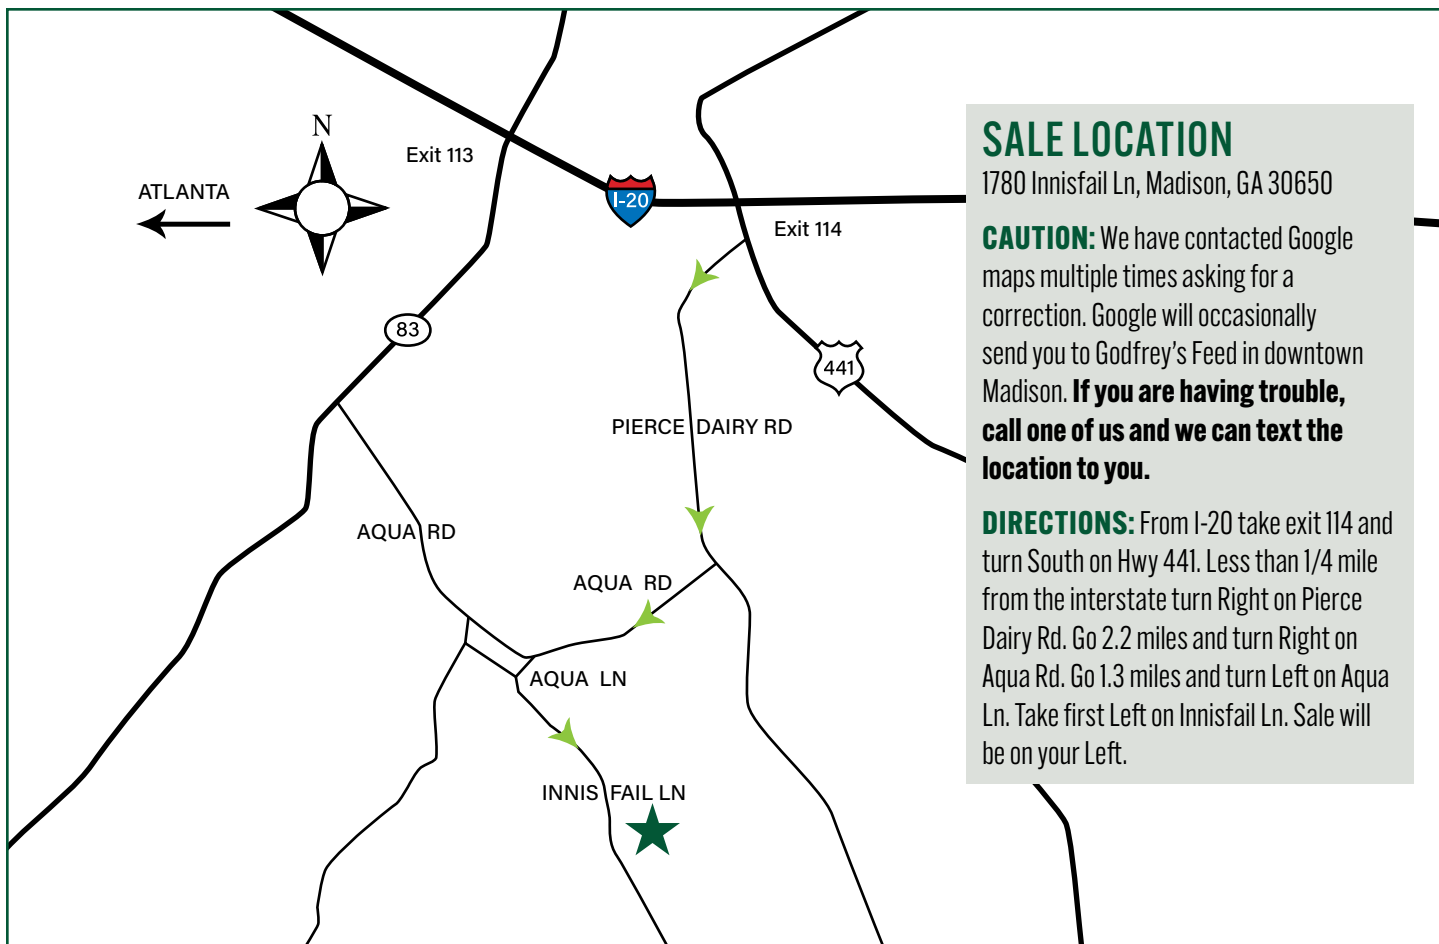

BREEDING GUARANTEE: Animals sold in this sale are guaranteed by the owners to be breeders, provided they are properly handled and cared for by the purchaser. If any fails to breed, the seller must be notified by Jan. 1, 2022 and for open heifers by July 1, 2022, otherwise the animal is no longer guaranteed in any way. If animal is in sound, healthy condition, buyer may return it to seller, who shall have six months to test it and then, if the animal proves to be a non-breeder, a satisfactory exchange will be made or purchase price refunded. Every known blemish will be called before the animal is sold and no animal will knowingly be sold that is not sound in any way. Any changes in breeding dates will be announced sale day. Any female selling with calf at side is considered to be a breeder with no further guarantee in this regard.

ANNOUNCEMENTS: Announcements at the sale ring by the owners or the auctioneer concerning the cattle will take precedence over statements in the sale catalog.

INSURANCE: Insurance will be available for purchase through Harding and Harding.

TRUCKING: Trucking will be available.

MAIL OR PHONE BIDS: Mail or phone order bids may be handled by the owners or any of the sale staff.
